Saturday Reset (15 min): Open statements → write date, amount paid and new balance → shade the thermometer → note one win. When this debt hits $0, move the thermometer to the next debt on your list.

Education only, not personalized financial advice. Interest often accrues daily on revolving balances, so extra payments can matter (CFPB). Full guide: freedomclimbers.com/debt-payoff-tracker-printable/ · Companion spreadsheet: freedomclimbers.com/debt-snowball-spreadsheet/
